

# Hospitality Storage Cabinet

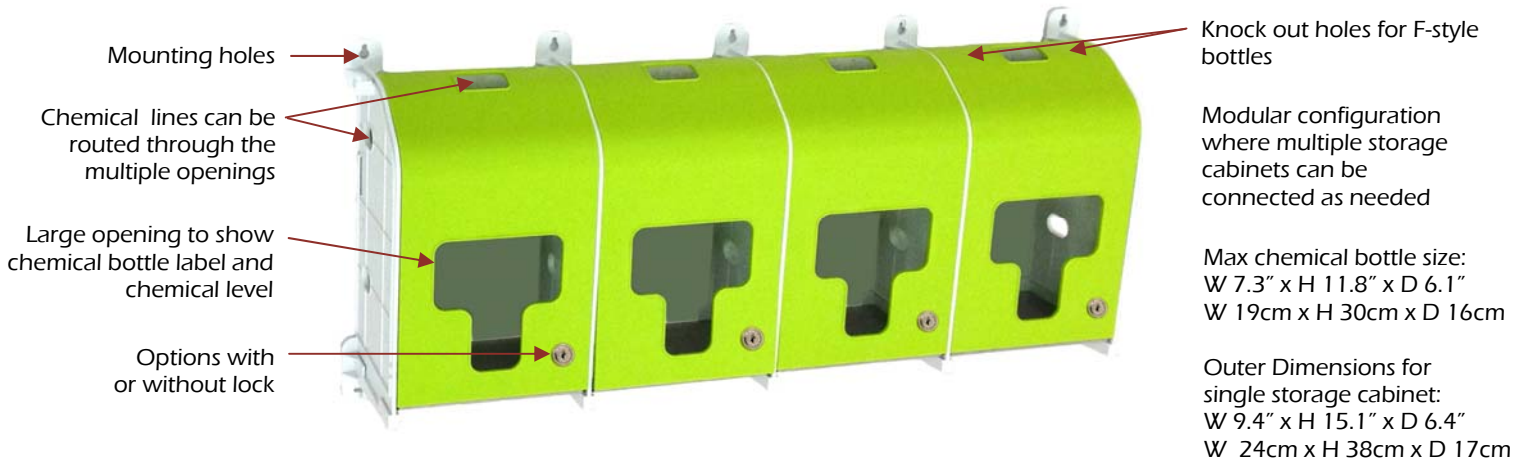

## Economical Chemical Storage Cabinet

The Hospitality Storage Cabinet is a modular chemical cabinet that is designed to fit your storage needs at an economical price. The storage cabinet can be customized into multiple chambers or configurations to be used with as many chemical containers as needed. The simple rugged enclosure is made to fit 1 gallon, 5 liter, or two 1/2 gallon F-style containers. Chemical storage has never been so attractively cost effective and accommodating.

- Economical and cost effective
- Multiple cabinets can be connected together
- Rugged Polypropylene and stainless steel construction
- Large viewing window to be able to see chemical label and chemical level
- Fits 1 gallon, 5 liter, or two 1/2 gallon F-style containers
- Modular design to create your desired configuration
- Models have options with or without lock
- Simple and easy snap together assembly

## Features & Benefits

## Storage Cabinet Configurations

The Hospitality Storage Rack modular designs allows you to create and customize your chemical storage rack to fit your needs. The storage racks comes as standard one or two cabinet configurations, and additional add on kits are available to expand the storage cabinet to any size you need. The simple snap together design allows for easy cabinet additions, and still ensures secure storage when assembled and mounted.

### KNIGHT LIMITED WARRANTY

Knights controls and pump systems are warranted against defects in material and workmanship for a period of ONE YEAR. All Electronic Control Boards have a TWO YEAR warranty. Warranty applies only to the replacement or repair of such parts when returned to the factory with a KRA number, freight prepaid and found to be defective upon factory inspection. Rubber and synthetic rubber parts such as "O" rings, diaphragms, squeeze tubing and gaskets are considered expendable and are not covered under warranty. Warranty does not cover liability resulting from performance of this equipment nor the labor to replace this equipment. Product abuse or misuse voids warranty. Knight products are not for use in potentially explosive environments. Any use of our equipment in such an environment is at the risk of the user. Knight does not accept any liability in such circumstances.

### KNIGHT DISCLAIMER
