installation, and
maintenance program

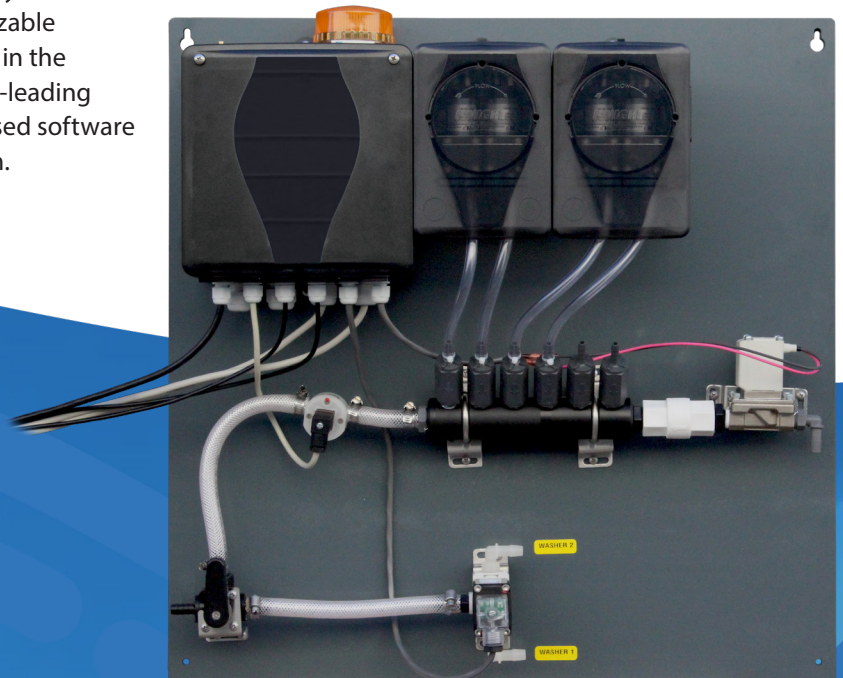

SmartWash OPL Solutions from Knight Equipment, benefit all facets of commercial laundry operations, saving time, labor, and money. Every aspect of the design has simplicity as a core focal point to assure ease of installation, operation and maintenance. Experience how simple things bring great benefits.

Simple to Install — Easy, quick installations with a pre- assembled panel that can be mounted in minutes.

Simple to Maintain -- No squeeze tubes to replace. The simple design uses many parts in common with other Knight dispensing platforms, reducing spare parts costs overall.

Simple Choices — Select from 4, 6, and 8 pump configurations.

Simple Data Management — Schedule automated reports and gather multiple locations worth of data in seconds! Choose your language, local currency, and many other customizable features in the industry-leading web-based software program.

Trusted solutions — Simple. Clean. Connected.

TECHNICAL DATA

Pump Flow Rate (nom.)

15 oz/min (0.4 L/min)

Electrical

Power: 90-270 VAC, 50/60 Hz;
Input Signal: 24v-240v

INCLUDES:

- Auto-switching Power Supply
- 6-ft Power Cord
- Remote Controller
- Install Kit

APPLICATIONS

Any On-Premise Laundry Setting

SMARTWASH UNITS (Electric Diaphragm Pumps)

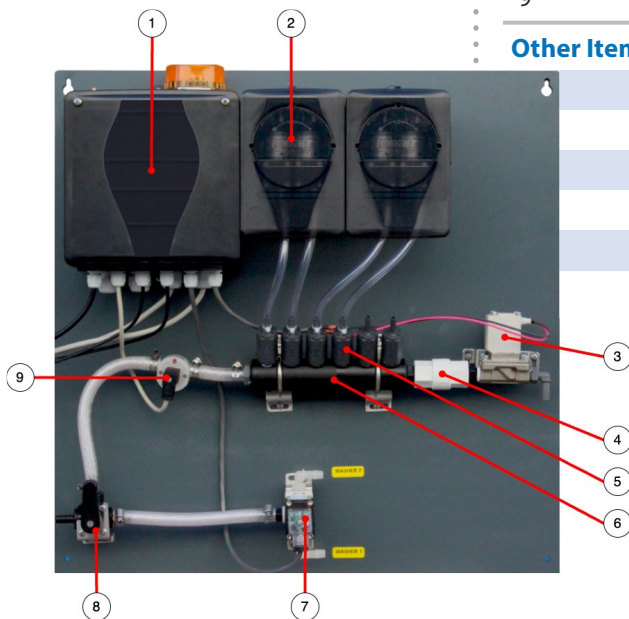

Model #	Description
560-0024	SmartWash OPL Connected Wash System, 4-Pump
560-0026	SmartWash OPL Connected Wash System, 6-Pump
560-0028	SmartWash OPL Connected Wash System, 8-Pump

SPARE PARTS AND ACCESSORIES

Item	Part #	Description
1	561-0001	MMS Controller
2	7550066	ED Pump, 24 VDC
3	9600556	Water Solenoid Valve, 24 VDC
4	60300363	Check Valve (water)
5	7901234	Check Valve (chemical)
6	LE220103	Manifold
7	561-0200	Diverter Valve
8	0200129	Calibration Valve
9	521-0003	Flow Meter

Other Items Not Shown

551-MODEM-4G	Cell Modem, 4G
551-MODEM-WIFI-DB	Dual band WiFi Modem
551-ANT-LONG	Antenna with 10 FT cable
551-CABLE-ANT	Antenna cable with bulkhead connector
551-PROG-5M	Programmer with Cable

Pumps Features

- Excellent reliability
- High performance-to-size ratio
- Highly chemical resistant materials of construction
- Maintenance-free
- Quiet Operation
- Self priming
- Can run dry
- Digitally adjustable motor
- Adjustable performance
- NSF certified
